

A black and white movie poster for Godzilla. The monster is shown from a low angle, towering over a city. It has a long, spiky dorsal fin and is breathing fire. The city is in flames and smoke. There are several red, stylized, blocky shapes on the left side of the poster. The word "GODZILLA" is written in white on a red background.

DISCLAIMER

All persons, organizations and architecture appearing in this game are fictitious.

STARTING THE GAME

To begin the game, insert the game disc into your PlayStation®4 system, then launch it from the Home Screen

Installation

Before playing the game, you will need to install it to the HDD of your PlayStation®4 system. Installation requires at least 8.5GB of free space. You will also need to keep the game disc in your PlayStation®4 system when playing the game.

Begin the game

Launch the game to bring up the title menu. To begin a new game, select START. To resume a previous game, choose CONTINUE. Use the left stick or directional buttons to make your selection, then press the X button to confirm.

Saving your game

Your game progress will be saved automatically every time you clear a stage or change the settings. You can also save manually by going to SETTINGS and choosing Save. You must have 74MB or more of free space on the HDD of your PlayStation®4 system in order to save your game.

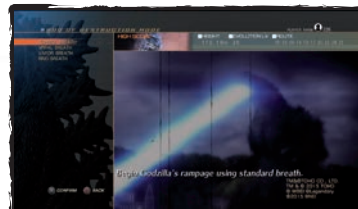

Choose a game mode

After the title screen, you will see the main menu, which lists the different modes available to play. Use the left stick or directional buttons to make your choice, and press the X button to confirm. You can return to the main menu from any mode screen by pressing the O button. The only modes available in the beginning are GOD OF DESTRUCTION MODE and SETTINGS, but you will unlock other modes as you continue to play through the game.

Choose Godzilla's Atomic Breath

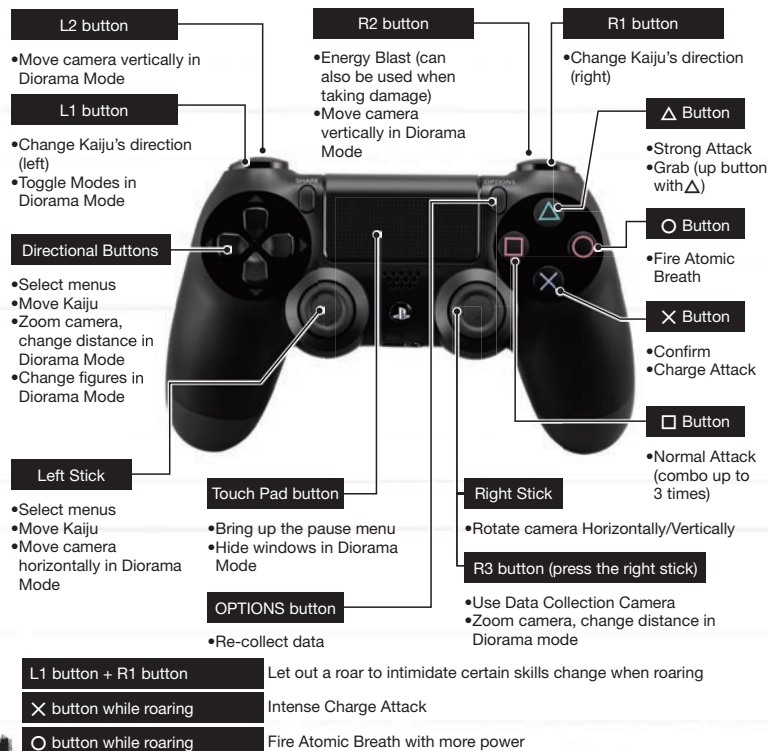

In GOD OF DESTRUCTION MODE and KING OF KAIJU MODE you can choose from different versions of Godzilla's Atomic Breath. Godzilla's first Atomic Breath is the standard Atomic Breath, but in EVOLUTION MODE you can evolve it to create new types of Atomic Breath.

CONTROLS

Here we will explain the game's basic controls. For more details on each screen's controls, please see the page for that screen.
